

The Ultimate POST-WORKOUT MUSCLE-RECOVERY Complex*

CVOL™ is a SUGAR-FREE, POST-WORKOUT that turns on key Anabolic triggers responsible for Strength and Size.*

CVOL™ has been formulated with 5 g of our Creatine Chelate Complex, 2.5 g L-Taurine, 1 g L-Carnitine L-Tartrate, 1 g Betaine & 800 mg Beta-Alanine; a rock-star list of the “go-to” ingredients, dosed at effective levels for rapid recovery from intense training. CVOL fits your workout. It’s absolutely delicious, 100% sugar-free with next to no carbs.*

MULTI-SOURCE CREATINE

- 1. Creatine-Magnesium Chelate: Patented, ionically-bound & highly-stable
- 2. CreaSyn™ Creatine: The most studied, most proven of all forms of Creatine
- 3. Creatine Base: The purest of all forms of Creatine delivering the most Creatine gram for gram.

THE CREATINE ABSORPTION COMPLEX*

Your Gains Will Only Be As Good As the Absorption of Your Creatine Formula
Anyone who has ever taken Creatine knows that absorption is CRITICAL to seeing rapid size and strength gains. The secret – optimized insulin receptor sensitivity! CVOL™ has been built with 3 ingredients that improve Creatine delivery into the muscle cells. In addition, CVOL™ delivers 40% of highly-bioavailable Magnesium; a key mineral (often deficient in modern diets) and is essential to muscle growth and strength!*

CLEAN LABEL PROTOCOL: With ALLMAX® products, you know what you’re getting. We don’t hide behind proprietary blends. Every ingredient is individually listed with a precise mg measurement. The Clean Label Protocol holds us to a higher standard. You can be sure you are getting the highest quality.
