**NEXT GENERATION ZMX<sup>2</sup>:** ALLMAX has achieved maximum absorption levels with Next Generation ingredients like P5P (Vitamin B6 in the advanced Pyridoxal-5-Phosphate form) delivering 647% of active vitamin B6, and ionically-bound Zinc (gluconate) at 273%.\*

**Magnesium** is notoriously difficult for the body to absorb. Advanced ZMX<sup>2</sup> uses fully Chelated Magnesium.

**Magnesium, Zinc & Vitamin B6 are absolutely essential to hard training athletes.\*** Old-school Zinc Magnesium Aspartate was good in its day; but ZMX<sup>2</sup> is a next generation supplement using the latest technology in elemental chelation.

ZMX<sup>2</sup> uses only naturally-derived rice flour, bran and concentrate to bind the nutrients in a Vegan Capsule to ensure that you are getting none of the typical excipients found in other products. Gluten-Free and Vegan; ZMX<sup>2</sup> is a product you can feel good about.
